IT CAME ...

Tén/Bass

It came upon the midnight clear,
That glorious song of old
From angels bending near the earth
To touch their harps of gold
« Peace on the earth good will to men
From hea(ven)'s all gracious King »
The world in solemn stillness lay to hear the angels sing

Sop/Alt

Still through the cloven skies they come
With peaceful wings unfurled,
And still their heav'ly music floats
O'(ver) all the weary world
+Tén Above its sad and lowly plains
They bend on hovering wing
And ever o'er it's Babel sounds the blessed angels sing

Tutti For lo ! the days are hast'ning on
By prophets seen of old.
When with the ever-circling years
Shall come the time for joy.
When the new heav'n and earth shall own
The Prince of Peace, their King
And the whole world send back the song which now the
angels sing

Sop and the whole world send back the song
+ Ten which now the angels sing...
...The angels sing
